

March 2009

Aloha!

Your HVA's goal in these tough economic times is to bring our community together to both improve Holualoa Village for residents and to promote it to our Big Island visitors.

On our immediate agenda: completing the Installation of our 'speed sign', improving walking paths along the highway, more village parking, a new summer 'event' and updating our Holualoa Village rack cards and web site.

All HVA Business Members are encouraged to attend our regular HVA meetings, participate in Village events and be listed on our new HVA info rack cards and web site.

We're also open to *your* ideas ~ and participation ~ if you have a community project you'd like your HVA to support and act on.

Contact us at: info@holualoahawaii.com

This year we are encouraging more Holualoa residents to join our many Business Members in moving our town forward. With your annual \$10 resident membership fee you'll get regular updates on HVA projects via Email, our web site and/or regular mail. Please join us!

Your new HVA volunteer officers

(L-R) Vice-presidents Kathleen Akaka (Divine Goods) and Barbara Gerrits (Holuakoa Gardens & Cafe), President Paul Maddox (Artrix Design), Secretary Janet Lipps (Pacific Islands Gallery & Design) and Treasurer Barbara Bosz-Burczyk (Big Island Brochure)
